

Math 24 Club

Math 24 Club uses the Math 24 card game to build math and thinking skills. Students in grades 4, 5, and 6 may participate. Students in grades 7 and 8 may serve as moderators to help the students learn the ropes! The club members play a math game using four numbers and any operation to reach the targeted answer, 24!

The club meets after school in Room 1 downstairs from 3:00 until 3:30 and dismisses from the front breezeway entrance. Mrs. Dubé is the moderator for this club.

The meeting dates will be listed on our online Activity Calendar at www.mqaschool.org and on PowerSchool's Daily School Bulletin. If you are unable to collect your child at 3:30, your son/daughter will report to Extended Day. A nominal fee will be charged for late pickup with a \$10.00 fee charged for a full day's service.

Application for Math 24 Club

Name _____ Grade _____

Home phone number _____

I understand I am responsible for arranging to pick my child up at 3:30 on Math 24 Club days listed on the school's Activities Calendar. I understand my child will not call home to remind me of the club's meeting. While I give permission for my child to attend this club, we understand that it is my son's/daughter's responsibility to report to the club. Attendance is taken, but parents are not called for those students who do not stay for meetings. *If Mrs. Dubé has to cancel due to unforeseen circumstances, my child will call home to notify me of the change.*
