An important part of Mary Queen of Apostles School is our volunteer program. We rely on our volunteers and recognize the valuable contribution they make as members of our school community. If you are able to share your time and talents and love of children with us, we welcome you!

All volunteers must have all clearances, forms, and trainings required by the Diocese of Greensburg and the Child Protection Services Law.

## **Lunch Preparation & Cafeteria Server**

Lunch servers arrive by 10:00 to help prepare food, ready the serving line for the lunch groups, and serve food to each lunch group. The servers help with cleanup as well. Please indicate if you have a preference for FRS or GS or both. Volunteers are provided a free lunch for their service!

The money collected during these events pay the referees and help to keep the costs associated with running the program manageable. Coaching is another way to volunteer in this area.
