

Chorus for Grades 6/7/8

Sixth, seventh and eighth grade students may elect to be in Chorus. The chorus will meet once a week, learn choral techniques, and prepare for two concerts. Chorus will perform in the Christmas concert and in a spring concert. Additional events may be added. To establish and assign voice parts, individual vocal auditions will occur. All concerts have a dress code consisting of a white shirt or blouse and black slacks or skirts.

Mrs. Bernot is the choral director.

The choral group meets during the school day. Additional practices *after school* may be scheduled as the date of the concert approaches and additional practice is needed.

Chorus, general music 6, or music exploration 7/8 are the options for fulfilling the music credit in grades 6, 7 and 8.
