

STEM Club

The STEM Club encourages creativity while learning applications that are used in laser engraving projects and 3D printing projects. Adobe Illustrator, Blender and Tinker Cad are applications used for this club.

The club's advisor is Mrs. Collett and Mr. Glessner.

The club will meet on Tuesdays or Thursdays at 2:45 and dismiss at 3:30 PM.

The meeting dates will be listed on our online **All Events Calendar or STEM Club Calendar** www.mqaschool.org. Students are dismissed at the lower floor doors to parking lot on Freeport Road. If you are unable to collect your child at 3:30, your son/daughter will report to Extended Day. A fee of \$10.00 will be charged for the service.

Name: _____ Grade: ____ Homeroom: _____

I understand I am responsible for arranging to pick my child on meeting days listed on the school's Events or STEM Club Calendar. I understand my child will not call home to remind me of the club's meeting. While I give permission for my child to participate in the club, my child and I understand that it is his/her responsibility to report to the meetings. Attendance is taken, but parents are not called for those students who do not stay for meetings. *If the club has to cancelled due to unforeseen circumstances, my child will call home to notify me of the change.*
