

**After School Club  
PJAS**

Dear Parent/Guardian:

Your child has chosen to participate in **Pennsylvania Academy of Science** as his/her extracurricular club.

PJAS is an academic program designed to promote the scientific process and scientific experimentation. By knowing scientific process and becoming an expert on a topic, participants choose a topic to research, create an experiment, collect data, analyze it, and draw conclusions. The information is presented in a speech with overhead visuals. The PJAS Region VII competition will be held in February. Winners will go onto the State competition in May. PJAS will meet every Tuesday from 3:00 – 4:00. Additional information about PJAS may be found at [pjasregion7.com](http://pjasregion7.com).

Mr. Domiano

**PJAS**

**Name** \_\_\_\_\_ **Grade** \_\_\_\_\_ **Homeroom** \_\_\_\_\_

I and my child understand that as a participant in **PJAS** there are obligations in selecting this competition activity. I will encourage my child to be committed and focused on his/her project. I understand that this project requires extensive research that will be done at school and at home. I will see that my child attends extra after school sessions for research, to create his/her project, and for preparation as needed.
