

Freeport Road Site Arrival Map

This map is meant to detail the procedures for children entering the building each morning at the Freeport Road Site by van, bus or by car. Please share this information with all those who may bring your child(ren) to school. Children may enter the building between 7:30 and 7:45 am and report to their classrooms. Arriving at 7:50 is considered tardy. Report to the main door in the oval to enter the building.

Buses enter the property and discharge children at the oval/near the front door of the school. Children carefully walk to the main entrance.

When arriving at the Freeport Road Site, pull up the ramp at the front of the property and around the corner of the building (the building will be on your left, the St. Michael the Archangel statue will be on the right) and pull up to the end of the sidewalk on the side of the building. Staff members will open the door at 7:30 on that side of the building and be on the sidewalk to help guide the children in. Please do not leave your children on the sidewalk before a staff member is present.

Please wait for the car in front of you to pull away and follow. It is unsafe to pull out around the line of unloading cars. We do our best to make sure unloading happens as quickly as possible. If your child needs help unbuckling or you want to help them carry something into the building, feel free to park the car and accompany your child to the door.

Freeport Road Site Dismissal Map

This map is also meant to detail the procedures for car rider dismissal at the Freeport Road Site. Please share this information with all those who may collect your child(ren) at the end of the day.

Dismissal at the Freeport Road Site begins with bus dismissal at 2:30 (11:25 on early dismissal days). Please be advised: **no car riders are dismissed from their classrooms until the busses have left the property.** The best thing you can do to help dismissal run quickly, smoothly, and safely is to stagger your arrival using the schedule below. **If you arrive at the correct time, you will be able to pick up and depart more quickly and we will avoid congestion on Freeport Road!**

FRS Dismissal times:

Bus riders	2:30 (11:25 Early Dismissal)
Kindergarten and 1 st graders and older siblings	2:40 (11:35 Early Dismissal)
2 nd and 3 rd graders	2:50 (11:45 Early Dismissal)

When you arrive to pick up your child, pull all the way to the end of the sidewalk or as close to the car in front of you as possible. Your child will receive a placard on the first day of school with their last name and grade. Please display this in the driver's side window or hold it up so that we can read it quickly and call for your child. We will load the children as quickly as possible and ask that you **do not pull away until the car in front of you does.**

Finally, if your child needs help with seatbelts or car seat buckles, please pull around the building and park in the back to secure these. Don't hold up the line by getting out of your car and buckling while others are waiting.
