

Sewing Club

Another school year is underway and I wanted to extend an invitation to those students from 4th-8th grade to join sewing club. I would like the students to be able to read, do some basic linear measurement and be tall enough to reach the foot pedal on a sewing machine. We found that 5 students at a time is the best arrangement to give the students the attention they need to learn to work the machines and complete projects.

Last year the students made some machine projects pillows, PJ pants and aprons, as well as some hand projects. This year, the plan is to teach them how to read a pattern and work from it. I may also arrange a field trip to Joanne Fabrics for the students. I will contact you if that is happening.

If anyone is interested in joining sewing club or if you have any questions about it, please email me at jrrapsinski@gmail.com. The day the club meets will either be Wednesday or Thursday from 3-5 p.m. If there are parents who would like to help we would be happy to have you. Meeting dates, once finalized will appear on the school calendar. Use the "EVENTS" calendar option or the "SEWING CLUB" option and not the "MAIN CALENDAR" option where it lists the calendar category.

Parents will be responsible for collecting their student at the door by the oval governor's drive after the meetings. Please wait in the oval for dismissal.
