

Chorus, General Music 6, or Music Exploration 7/8 are the options for fulfilling the music credit in grades 6, 7 and 8. Mrs. Bernot is the general music teacher and choral director.

The chorus meets once a week during the school day, learns choral techniques, and prepares for and performs in the Christmas and Spring Concerts. Other events may be added. Additional practices after school may be scheduled as the date of the concerts approach and additional practices are needed. Students in Chorus will be required to complete singing tests posted in Schoology.

All concerts have a dress code consisting of a white dress top and black dress pants.
